Notice of a Reconvened Extraordinary General Meeting of the Shareholders of the Company

In April 2018 we notified you of an extraordinary general meeting of the Investec Global Strategy Fund (the 'Company') to be held on 23 May 2018 (the 'First Extraordinary General Meeting').

The First Extraordinary General Meeting was convened before notary, on 23 May 2018, at 4.30pm (CET), at the registered office of the Company 49, Avenue J.F. Kennedy, L-1855 Luxembourg, with the agenda as set out below. The quorum required by Article 450-3(2) of the Luxembourg Law of 10 August 1915 on commercial companies, as amended, was not reached and therefore no resolutions could be adopted.

You are invited to attend a second extraordinary general meeting of shareholders of the Company (the 'Reconvened Extraordinary General Meeting'), which will be held, before notary, on 27 June 2018, at 4.30pm (CET), at the registered office of the Company 49, Avenue J.F. Kennedy, L-1855 Luxembourg, with the following agenda concerning the amendments to the Articles of Incorporation (the 'Articles') of the Company:

Agenda

The amendments proposed to the Articles aim to bring them into line with the current practice and the most up to date legal and regulatory framework applicable in Luxembourg and to harmonise their terminology and the definitions to ensure consistency with the Prospectus of the Company.

I. The Articles have been amended to reflect the recent changes to the 1915 Law as described below:

1. Amendment to the first paragraph of article 4 'Registered office' of the Articles by deleting its second sentence and by the insertion of a new second paragraph, which shall read as follows:

~~"4.1 The registered office of the Company is established in the Municipality of Luxembourg, Grand Duchy of Luxembourg. Within the same municipality, the registered office may be transferred by means of a decision of the board of directors. It may be transferred to any other municipality in the Grand Duchy of Luxembourg by means of a resolution of the general meeting of shareholders, adopted in the manner required for an amendment of these articles of association.~~

4.2 The board of directors of the Company (the 'Board of Directors') may transfer the registered office of the Company within the same municipality, or to any other municipality in the Grand Duchy of Luxembourg and amend these Articles of Incorporation accordingly."

Rationale for the change: whereas previously a transfer of the registered office to another municipality of the Grand Duchy of Luxembourg required shareholder approval, now article 450-3 (2) of the 1915 Law delegates the power to decide on a transfer of seat to any other municipality within the Grand Duchy of Luxembourg to the Board of Directors, provided that such delegation of powers is provided for in the Articles.

2. Amendment to the second and third paragraphs of article 16 'Convening of general meetings of shareholders', which shall read as follows:

~~"[...] 16.2 It must be convened by the board of directors~~ Board of Directors upon the written request of one or more ~~several~~ shareholders representing at least ten percent (10%) of the Company's share capital. In such case, the general meeting of shareholders shall be held within a period of one (1) month from the receipt of such request.

16.3 The convening notice for every general meeting of shareholders shall contain at least the date, time, place and agenda of the meeting and ~~shall~~ may be made through announcements ~~published twice, with a minimum interval of eight (8) days, and eight (8) days~~ filed with the Luxembourg Trade and Companies Register and published at least

fifteen (15) days before the meeting, in the Mémorial C, on the Recueil Électronique des Sociétés et Associations and in a Luxembourg newspaper. Notices by mail In such cases, notices shall be sent by ordinary letter at least eight (8) days before the meeting to the registered shareholders, but no proof that this formality has been complied with need be given. Where all the shares are in registered form, the convening notices may be exclusively made by registered letter only and shall be dispatched to each shareholder by registered letter at least eight (8) days before the date scheduled for the meeting, or if the addressees have individually accepted to receive the convening notices by another means of communication ensuring access to the information, by such means of communication. [...]

Rationale for the change: article 450-3 (2) and article 450-8, paragraphs 7 and 8 of the 1915 Law simplify the procedure for convening meetings of shareholders. The new simplified convening process reduces the number of publications from two to one and shortens the notice period to a minimum of 15 days. However, where the shares are in registered form, article 450-9 of the 1915 Law permits a shorter notice period of at least of 8 days and service by registered letter only, dis-applying the publication requirement. Other forms of notice to convene shareholder meetings are possible, subject to the agreement by each shareholder to that form of notice. The simplified convening process applies to any general meeting of shareholders (AGM and EGM).

3. Amendment to the first paragraph of article 17 'Conduct of general meetings of shareholders', which shall read as follows:

"17.1 The annual general meeting of shareholders shall be held within six (6) months of the end of each financial year in the Grand Duchy of Luxembourg at the registered office of the Company or at such other place in the Grand Duchy of Luxembourg as may be specified in the convening notice of such meeting, on the date set out in the current Prospectus, on the second Thursday of June at 4:00 p.m. Luxembourg time. If such day is not a Business Day or is a legal or banking holiday, the annual general meeting shall be held on the next business day. Other meetings of shareholders may be held at such place and time as may be specified in the respective convening notices. [...]"

Rationale for the change: the 1915 Law no longer requires that the Articles mention the date, time and location of the AGM. Notwithstanding these deletions from the Articles, the AGM will continue to be on second Thursday of June (or if this is not a business day, on the next business day thereafter).

4. Change of denomination of article 18 'Quorum and vote' as 'Quorum, majority and vote'.
5. Insertion of three new paragraphs after the first paragraph of article 18 'Quorum, majority and vote', which shall read as follows:

"[...] 18.2 The Board of Directors may suspend the voting rights of any shareholder in breach of his or her obligations as described by these Articles of Incorporation or any relevant contractual arrangement entered into by such shareholder.

18.3 A shareholder may individually decide not to exercise, temporarily or permanently, all or part of his or her voting rights. The waiving shareholder is bound by such waiver and the waiver is mandatory for the Company upon notification of the latter.

18.4 In case the voting rights of one or several shareholders are suspended in accordance with article 18.2 or the exercise of the voting rights has been waived by one or several shareholders in accordance with article 18.3, such shareholders may attend any general meeting of the Company but the shares they hold are not taken into account for the determination of the conditions of quorum and majority to be complied with at the general meetings of the Company. [...]"

Rationale for the change: article 450-1 (9) of the 1915 Law allows that the Articles may provide that the Board of Directors may suspend the voting rights of shareholders in the event of a breach of their obligations under the Articles and other contractual arrangement with the Fund, including, without limit, the Prospectus and Application Form. The same article allows that a shareholder may voluntarily decide to waive all or part of his or her voting rights, on a permanent or temporary basis.

6. Insertion of a second paragraph of article 19 'Amendments of the Article of Incorporation', which shall read as follows:

"19.2 In case the voting rights of one or several shareholders are suspended in accordance with article 18.2 or the exercise of the voting rights has been waived by one or several shareholders in accordance with article 18.3, the provisions of article 18.4 of the Articles of Incorporation apply mutatis mutandis."

Rationale for the change: to align with the insertion of paragraphs 18.2, 18.3 and 18.4 as described above at paragraph 5 of section I of this Notice.

7. Amendment to article 20 'Adjournment of general meetings of shareholders', which shall read as follows:

"Subject to the provisions of the 1915 Law, the ~~board of directors~~ Board of Directors may, during any general meeting of shareholders, adjourn such general meeting of shareholders for four (4) weeks. The ~~board of directors~~ Board of Directors shall do so at the request of shareholders representing at least ~~twenty ten~~ percent (210%) of the share capital of the Company. In the event of an adjournment, any resolution already adopted by the general meeting of shareholders shall be cancelled."

Rationale for the change: article 450-1 (6) of the 1915 Law decreases the threshold for shareholder's to request the adjournment of a general shareholders' meeting from a share capital participation of 20% to 10%.

8. Amendment to the second paragraph of article 21 'Minutes of general meetings of shareholders', which shall read as follows:

"[...] 21.2 Any copy and excerpt of such original minutes to be produced in judicial proceedings or to be delivered to any third party, shall be certified as a true copy of the original by the notary having had custody of the original deed, in case the meeting has been recorded in a notarial deed, or shall be signed by the chairman, if any, of the ~~board of directors~~ Board of Directors or by any two (2) of its members."

Rationale for the change: article 444-4 of the 1915 Law makes the appointment of a chairman optional. Notwithstanding this optionality, Kim McFarland will continue to be the Chairman of the Board of Directors.

9. Insertion of a new article 22 'Right to ask questions', which shall read as follows:

"Article 22. Right to ask questions

22.1 Shareholders holding together at least ten percent (10%) of the share capital or the voting rights may submit questions in writing to the Board of Directors relating to transactions in connection with the management of the Company.

22.2 In the absence of a response within one (1) month, the relevant shareholders may request the president of the chamber of the district court in Luxembourg dealing with commercial matters and sitting as in summary proceedings to appoint one or several experts in charge of drawing up a report on such related transactions."

Rationale for the change: article 1400-3 of the 1915 Law introduces a right for one or more shareholders representing at least 10% of the share capital to address written questions to the board of directors with respect to the Company's operations and an escalation process if those questions are not addressed by the Board of Directors.

10. Amendment to the first, second and sixth paragraph of article 28 'Conduct of meetings of the Board of Directors' (renumbered 29), which shall read as follows:

"29.1 The ~~board of directors~~ Board of Directors ~~shall~~ may elect among its members a chairman. It may also choose a secretary, who ~~does need~~ not need to be a director and who shall be responsible for keeping the minutes of the meetings of the ~~board of directors~~ Board of Directors.

29.2 The chairman, if any, shall chair all meetings of the ~~board of directors~~ Board of Directors, but in that persons ~~his~~ absence, the ~~board of directors~~ Board of Directors may appoint another director as chairman pro tempore by vote of the majority of directors present or represented at such meeting. [...]

29.6 Decisions shall be taken by a majority vote of the directors present or represented at such meeting. In the case of a tie, ~~the chairman, if any,~~ shall have a casting vote. [...]"

Rationale for the change: article 444-4 of the 1915 Law makes the appointment of a chairman optional. Notwithstanding this optionality, Kim McFarland will continue to be the Chairman of the Board of Directors.

11. Amendment to article 29 'Minutes of meetings of the Board of Directors' (renumbered 30), which shall read as follows:

"The minutes of any meeting of the ~~board of directors~~ Board of Directors shall be signed by the chairman or, in that persons ~~his~~ absence, by the chairman pro tempore or by any two (2) directors present. Copies or excerpts of such minutes which may be produced in judicial proceedings or otherwise shall be signed by the chairman, if any, or by any two (2) directors."

Rationale for the change: article 444-4 of the 1915 Law makes the appointment of a chairman optional. Notwithstanding this optionality, Kim McFarland will continue to be the Chairman of the Board of Directors.

12. Amendment to article 30 'Conflict of interest' (renumbered 31), which shall read as follows:

"31.1 Save as otherwise provided by the 1915 Law, any director who has, directly or indirectly, an financial interest conflicting with the interest of the Company in connection with a transaction ~~submitted to the approval of the board~~

~~of directors which conflicts with the Company's interest, falling within the competence of the Board of Directors~~ must inform the ~~b~~Board of ~~d~~Directors of such conflict of interest and must have that director's ~~his~~ declaration recorded in the minutes of the ~~b~~Board of ~~d~~Directors meeting. The relevant director may not take part in the discussions on and may not vote on the relevant transaction. Any such conflict of interest must be reported to the next general meeting of shareholders prior to such meeting taking any resolution on any other item.

31.2 The conflict of interest rules shall not apply where the decision of the ~~b~~Board of ~~d~~Directors relates to ~~current-operations~~ day-to-day transactions entered into under normal conditions.”

Rationale for the change: the key change brought to article 4441-7 of the 1915 Law clarifies the nature of the conflicting interest which a director is required to disclose to other members of the board. Only a conflict linked to a monetary or other financial interest of a director in a transaction by the Company is covered. Both a direct and indirect interest is captured.

II. Changes only for clarification purposes as described below:

1. Insertion of a new paragraph in article 6 'Form of shares – Register of shares – Transfer of shares', which shall read as follows:

“[...] 6.2 Death, suspension of civil rights, dissolution, bankruptcy or insolvency or any other similar event regarding any of the shareholders shall not cause the dissolution of the Company. [...]”
2. Amendment to the existing fourth paragraph of article 6 (renamed 6.5) 'Form of shares – Register of shares – Transfer of shares', which shall read as follows:

[...]”
5. Amendment to the third sentence of the eleventh paragraph of article 9 'Issue of shares', which shall read as follows:

“[...] 9.11 [...] A report relating to the contributed assets must be delivered to the Company by its statutory independent auditor (réviseur d'entreprises agréé) save as otherwise provided for under applicable laws. [...]”

8. Amendment to sections B and C of the first paragraph of article 12 'Restrictions and prohibitions on the ownership of shares', which shall read as follows:

“[...] For such purposes the Board of Directors may [...]”

B. require at any time any person entered in the register of shares, or any person seeking to register a transfer of shares therein, to furnish the Company with any representations, warranties or information, supported by affidavit, which the Company may consider necessary for the purpose of determining whether such registry results in beneficial ownership of such shares by a Prohibited Person;

C. compulsorily redeem or cause to be redeemed all shares held by a, on behalf or for the account or benefit of,

Prohibited Persons, or, investors who are found to be in breach of, or have failed to provide, the abovementioned representations, warranties or information in a timely manner. To that end, the Company will notify the Prohibited Person of the reasons which justify the compulsory redemption of shares, the number of shares to be redeemed and the indicative Valuation Day on which the compulsory redemption will occur. The redemption price shall be determined in accordance with Article 10.2 above; [...]"

9. Amendment to the first and second paragraphs of article 25 'Election, removal and term of office of directors' (renumbered 26), which shall read as follows:

"26.1 The directors shall be elected by the general meeting of shareholders. ~~The general meeting of shareholders~~ which shall determine their remuneration and term of office.

26.2 The term of office of a director may not exceed six (6) years and each director shall hold office until a successor is appointed. Directors may however be re-elected for successive terms."

[...]"

11. Amendment to article 44 'Applicable law' (renumbered 45), which shall read as follows:

"All matters not governed by these Articles of Incorporation shall be determined in accordance with the 1915 Law and the 2010 Law, as such laws have been or may be amended from time to time."

III. Amendment to the last paragraph of article 6 'Form of shares – Register of shares – Transfer of shares', which shall read as follows:

"[...] 6.6 Any transfer of shares shall become effective towards the Company and third parties by (i) the execution of a declaration of transfer, signed and dated by both the transferor and transferee or their representatives, (ii) receipt of this declaration of transfer by the Company; and (iii) recording of the transfer in the Company's share register. The Company may accept and enter in the register a transfer on the basis of correspondence or other documents recording the agreement between the transferor and the transferee. [...]"

Rationale for the change: the change is motivated to simplify the operational process of effecting share transfers.

IV. Insertion of a new sixth paragraph of article 7 'Classes of shares', which shall read as follows:

"[...] 7.6 The Company may, in the future, offer new classes of shares without the approval of the shareholders. Such new classes of shares may be issued by the Board of Directors on terms and conditions that differ from the existing classes of shares."

Rationale for the change: the insertion is not motivated by the 1915 Law but rather it further clarifies the power of the Board of Directors to issue additional classes of shares under article 7 as is investment funds practice.

V. Deletion of the fourteenth indent of paragraph 14.1 of article 14 'Suspension of calculation and publication of the net asset value per share, and/or the issue, redemption and conversion of shares':

"[...] (14) Following the suspension of the calculation of the net asset value per share/unit at the level of a master fund in which the Company or any of its Sub-Funds invests as it capacity as feeder fund of such master fund, to the extent applicable. [...]"

Rationale for the change: the fourteenth indent was repetition of the eighth indent, both having the same meaning.

VI. Amendment to the fifth paragraph of article 33 'Investment policy and restrictions' (renumbered 34), which shall read as follows:

"[...] 34.5 In accordance with the principle of risk-spreading the Company is authorised to invest up to 100% of the assets attributable to each Sub-Fund in different transferable securities and money market instruments issued or guaranteed by a Member State of the EU, by one or more of its local authorities, by a member state of the OECD or the Group of twenty (G20), by the Republic of Singapore by the Hong Kong Special Administrative Region of the People's Republic of China or by a public international body of which one or more Member States of the EU are members provided that if the Company uses the possibility described above, it shall hold on behalf of each relevant Sub-Fund securities from at least six different issues. The securities from any single issue shall not account for more than 30% of its total net assets/the total assets attributable to that Sub-Fund. [...]"

Rationale for the change: the change is motivated by the change of administrative practice of the Luxembourg Supervisory Authority.

1. Amendment to all references to:
 - a. 'approved statutory auditor' as 'independent auditor';
